- Participants should grip the rope with their bare hands.
- No knots or loops should be tied in the rope and the rope should not be wrapped around the hands/arms/legs/ankles etc whilst competing.
- Teams are not allowed to suddenly let go of the rope and deliberately cause the opposing team to fall over.
- Each team is allowed a 'coach' at the side of the rope. The job of the coach is to encourage and direct the team, and coach people into position. The coach is not allowed to touch the rope when a pull is in progress.
- Each match is a best of three end pull. The team that wins two ends is the winner.
- Teams are not allowed to sit on the floor.
- Each pull is officiated by a judge who stops and starts the pull.
- Judges decision is final.
